

Are you helping me to sleep safe?

- ☐ Do you always put me to sleep on my back?
- ☐ Do I sleep alone in my crib?
- ☐ Is my sleep area free of pillows, stuffed toys and quilts?
- ☐ Do my sheets fit tightly on the mattress?
- ☐ Am I dressed so I will not get too hot?
- ☐ Is my room smoke-free?

Does my safe crib have the following:

- ✓ A firm, tight fitting mattress?
- ✓ No loose, missing or broken hardware or slats?
- ✓ No more than 2 3/8 inches between slats? (width of a soda can)
- ✓ No cutout designs in the headboard or footboard?

Please share this information with every person who takes care of me!

- ✓ My family
- ✓ Babysitters
- ✓ Day care workers
- ✓ Everybody
